

Dear Education Colleague,

England Women's Football
Under-15 to Under-23 Teams
2026–27 Season Dates

As the nominated education contact, I am writing to provide an overview of key dates, upcoming arrangements, and the support available for a student selected to represent England. Selection is made on an event-by-event basis, and players may be considered for multiple events and, on occasion, for different age groups throughout the season.

We aim to inform schools in advance if a player is selected or placed on standby for any given event. Wherever possible, we aim to notify you at least two weeks beforehand to allow sufficient time for the school and home to agree on an approved leave of absence, if required.

Upon notification of selection, we kindly ask schools to complete our School Response Form. Where a player is studying in-house at a football club, the club should complete the form. This form requests a summary of the academic work assigned to the player during her absence, along with any relevant information regarding safeguarding or welfare concerns, additional educational needs, or specific arrangements that may be required. Your prompt response is greatly appreciated, as it enables us to plan effectively for each event. Following the event, we will provide a Player Education Report detailing the academic work completed and offering insights into the broader experiences gained.

Occasionally, we may request additional academic information from the school, particularly for students in examination years. Please ensure that permissions for sharing such information have been agreed upon between the school and home in advance. We aim to include parents/guardians (and, where relevant, Club Education Leads) in our correspondence with schools. If the main school contact changes, kindly notify us as soon as possible.

Lastly, you may occasionally be contacted by other members of The FA's Player Education & Lifestyle Department. Our team is composed of experienced teachers, all with backgrounds in secondary and further education. If a safeguarding concern has been identified, a member of our Safeguarding Team will reach out to you directly. A Designated Safeguarding & Welfare Lead (DSWL) will also be present at each event.

Thank you in advance for your support of our England Teams. We very much look forward to working with you throughout the remainder of the academic year.

Kind regards

Vicky Cheshire

Player Education & Personal Development Lead (England Women's Teams)

While this schedule provides an overview of the planned events, please note that dates and venues are subject to change. Final dates will be confirmed on an event-by-event basis. Participation in all listed events is not guaranteed for each player, and there may be occasions where a player is selected for a different age group. Player status updates, including call-ups or standby status, will be communicated at the earliest opportunity.

This information is strictly confidential, and we respectfully request that these dates not be shared externally beyond your organisation or posted online. If you have any questions, please do not hesitate to contact us.
